Only admitting students based on extremely rigorous standards, the private boarding school incorporated under the "Sakaki" name: Mihama Academy.

A state of the art facility
employing the finest instructors money could buy.

A school with a single, solitary student on its register:
Me.

this school's Board Chairman: Sakaki Michiaki.
The pivotal figure of the East Breach Express Railway Group, a subsidary of East Beach Holdings,

On reclaimed coast property, this school was constructed...
He constructed it...
As a birdcage for me.

I suppose there has never before been such a convenient place
to discretely incarcerate an unmanageable daughter who's caused one too many "problems".

Being nothing but a simple schoolgirl, I resigned myself to this fate.

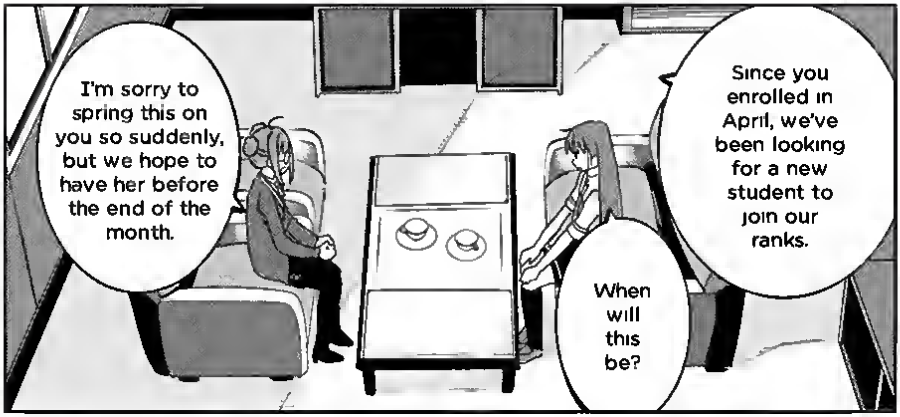
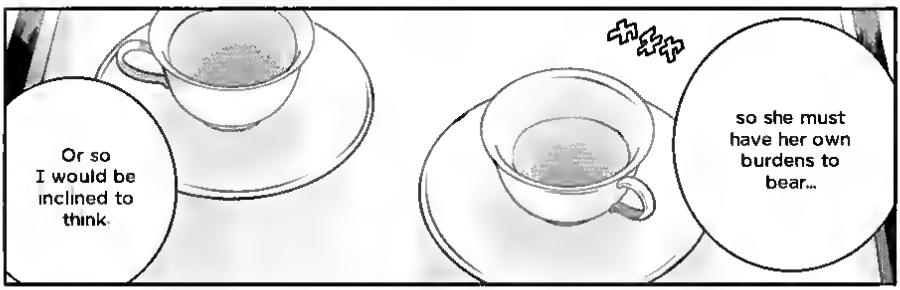
We're getting
A transfer student?
That's right!
Mihama Academy Principal: Tachibana Chizuru



I'm sorry to spring this on you so suddenly, but we hope to have her before the end of the month.
When will this be?
Since you enrolled in April, we've been looking for a new student to join our ranks.

But, Mihama Academy is not the sort of learning facility that simply allows anyone to enter.
This girl has cleared the necessary requirements, and received permission to attend here,

I know.
That certainly is sudden.



Or so I would be inclined to think.
so she must have her own burdens to bear...

.....

...I'll see what I can do.
Umm ...
If at all possible, I'd appreciate it if you could try to get along with her...
チカッ

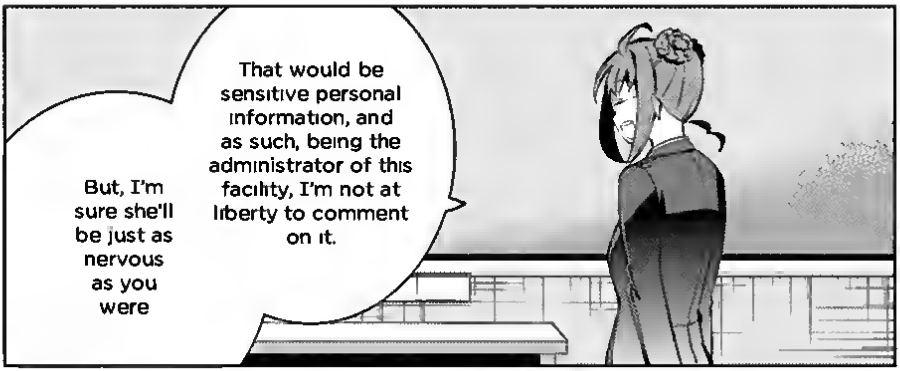
she says...
"Get along with her",
.....
Pleased to meet you!

...I look like an imbecile
But...

パタ

After having done such a thing...
Could I ever get along with someone else...?
As I mentioned recently,
tomorrow, this school will welcome its first new transfer student
I feel like I heard all this just yesterday...

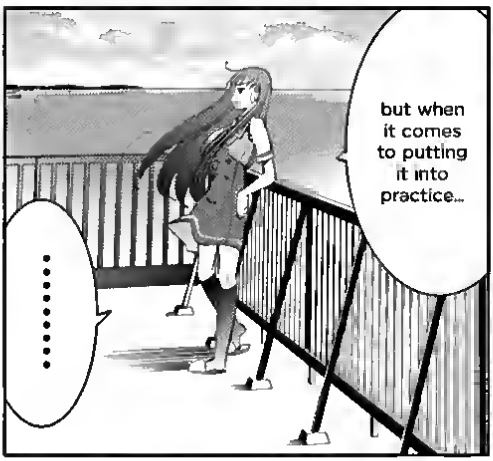
She'll be one year above you in coursework, but you'll be in the same class.
Which is to say, this will be your first new classmate, Sakaki-san.
I had hoped we could go over it again in this manner.
.....
"Expectations,"
huh?
Since she'll have her own "burdens to bear" that are similar to mine, I take it?
Of course, it's only natural you would have some big expectations



That would be sensitive personal information, and as such, being the administrator of this facility, I'm not at liberty to comment on it.
But, I'm sure she'll be just as nervous as you were

So please, do your best to give her a warm welcome.
when you first enrolled here.

...
Understood



but when it comes to putting it into practice...
.....

You can beg me to be nice all you want,

Will this new girl turn out to be an ally, someone I can get along with?
Or will she turn out to be an enemy, invading my territory...?

If she's an enemy, then I'll have to...

but one beyond my ability to comprehend..
Gwahaha!! This grub is tasty!
Um.. Overeating is bad for~
Oho! I better eat you too!

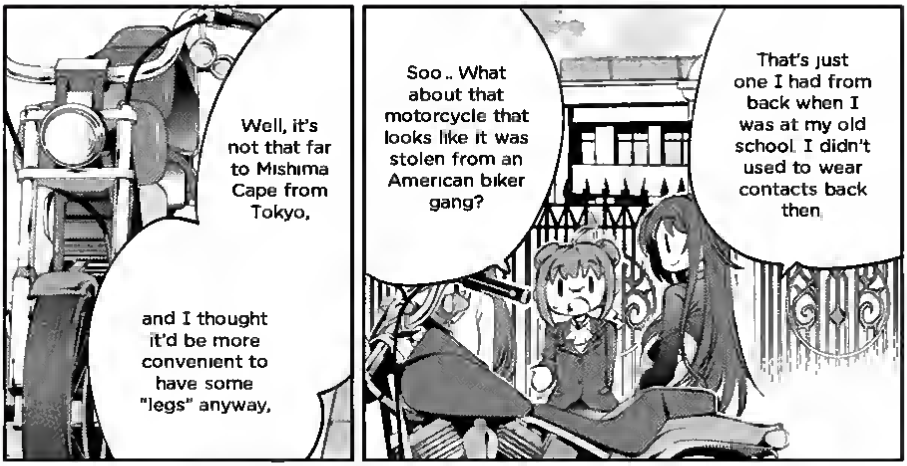
But, you look nothing like the photo in your profile—
EH?



Well, it's not that far to Mishima Cape from Tokyo,
and I thought it'd be more convenient to have some "legs" anyway,
Soo.. What about that motorcycle that looks like it was stolen from an American biker gang?
That's just one I had from back when I was at my old school. I didn't used to wear contacts back then.

WITH THAT LIGHT-HEARTED ATTITUDE!?
So I rode it over♪

Ah, that's right
This girl over here is Sakaki Yumiko-san She's a first year student who's been with us since the school's opening
She'll be your classmate, Suou-san

Sakaki Yumiko-san, huh?
